Continuation of Substance of Interview including description of the general nature of what was discussed: The amendment submitted After Final places claims 1, 3, 6, 9, 11, 16-18 in conditional for allowance as the previously indicated allowable subject matter was incorporated into independent claim 1. Permission to cancel all other claims (claims 24, 28-32 and 47-54) was given. In light of the method of making was examined with respect to the composition made, and the instant method has been found allowable, compositions of the identical scope as the products made by the allowed method of making claims would be rejoined in the instant Application.
